For information.

REMARKS

Please advise me as to what to do. It is my  
opinion that BNL lawyers should deal with this, but  
I do not like the draft of the letter. I would  
rather see Conard's letter go out.

REMARKS

Walt, I would send  
the Conard letter minus  
the last FF. I have  
no objection to having  
it go from Conard.

Marshalls file  
Called Conard  
action completed?  
when in original
